Refurbishments at the Home

We are still in the midst of renovations for the Barnhard Pavilion which will include new flooring, wall coverings and handrails. We are also in the process of selecting a new sign for the front driveway entrance on Pleasant Valley Way as well as new directional signage throughout the parking lot.

New Sub-Acute Rehabilitation Facility Update

Upon receiving permit approval, we will begin construction on a new therapeutic kitchen in our rehab gym. The bi-level kitchen will be able to accommodate those practicing "real life" skills while standing or in a wheelchair.
