Refurbishments at the Home

Our Home has been abuzz with multiple renovation projects these past few weeks! I'm sure many of you have already noticed our breathtaking redesign of the Samuel Sudler Atrium, thanks to the generosity of the **Sudler Family Foundation**. The redesign features new furniture, flooring and window treatments, among other enhancements. We have just installed beautiful new flooring in the Slobodien Pavilion Dining Room, giving the room a new look and feel. Thanks to a very generous grant from **The Healthcare Foundation of New Jersey**, we are now in the process of renovating the Barnhard Pavilion Nurses' Station. At the same time, we are also in the process of renovating the Barnhard Pavilion kitchen. Last but not least, construction has begun on our new bi-level therapeutic kitchen in the rehab gym. Stay tuned for more updates!
